**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I LOVE my Sonic and cannot believe this could be taken away. It offers far better service for a more affordable price than anything through ATT, my previous provider. This has allowed me to work at an increased rate (I work from home and computer connectivity and speed is everything).

In addition Sonic provides such affordable coverage for phone calls around the world that I can call anywhere for my work (and I need to call around the world often) without worrying about budget. With ATT I would not have been able to do this.

I support broadband competition. Please do not do anything that will make this the end of the road for smaller broadband companies!
